\* See page column refers to the page number of a display ad with possible further information regarding the job openings and/or related requirements. Where Index is used, there is no display ad for that listing. The address and phone number of the firm with that job can, therefore, be found in the Index of Contract Firms in the back of each C.E. Weekly. The following feature of C.E. Weekly categorizes job openings by discipline. Please keep in mind that JobLines represent just a portion of the total number of openings published in this issue. There are many jobs appearing in display ads, which do not appear in JobLines.

# SUBSCRIBER SERVICES

## Hot Sheet of Available Contractors:

For unemployed subscribers (or those with layoff notices). We email your name, address, phone, email address, a link to your online resume, and job classification(s) to our advertising contract staffing firms.

## Online Profile:

Every day, recruiters perform hundreds of searches of our resume database, usually locating multiple resumes that match their keyword search. Often subscribers have certain requirements that do not generally appear on their resumes. For example: Are you currently available, or are you working now and won't be available for a couple of months? ... What is the minimum rate you will accept? ... etc. Your personal profile allows you to make that information available to recruiters. It is critical that you keep your profile very current ... especially the status of your availability. This service is only as effective for you as the effort you devote to it.

## My JobTracker:

Track your saved jobs and any follow-ups you've made to recruiters. All records in one place for your job searches, responses, and notes about the assignment. Our latest subscriber service ... and one of the most valuable!

## EZjobs:

Subscribers can receive each day's new job postings for openings that match their pre-set keywords. Those listings will be emailed to you stating the name of the recruiting firm, contact information, and all the data we have about each job.

## Resume Email Forwarding History:

Subscribers can track their resume forwarding history to see when and to whom their resume has been emailed from our website. This service tracks resumes sent by: job searches using E-Resume, individual resumes sent to any of our advertisers, and updated resume distribution.

## Resume View Notification:

Every time your resume is viewed, downloaded or printed by a contract staffing firm ... we immediately email you a notification. Included in the email is the name of the firm, the recruiter's name (if known), keywords that the recruiter used to find your resume, and contact information. Keep in mind that we must have your current email address on file in order for you to participate in this service. Here, too, you may opt out this service if you choose.

## Mail Forwarding Service:

You can have a permanent (or forwarding) address to guarantee yourself of constantly receiving your mail. If you are interested in using this service, contact our office for details. Email [staff@cjhunter.com](mailto:staff@cjhunter.com) or call (425) 806-5200. Please Note: you must be a user of our Mail Forwarding Service if you put our address on your resume for contact information. Cost: \$10/month, charged to your account at the beginning of the month. If no mail is forwarded, this charge is refunded to your account at the end of the month. As long as you have a mail forwarding account active, you will be charged for the service only if we actually forward your mail at least once during a calendar month.

## Free Email Account:

If you are a *ContractJobHunter* or *Contract Employment Weekly* subscriber who uses email a lot ... this subscriber service will probably be of interest to you. This service is free, as long as you keep your subscription current. Restrictions: Any single document (either sent or received) cannot exceed 500K in size; the total amount of space allotted to any subscriber is 5 megabytes; you may select your own personal email address. We suggest using your name (Example: [john.doe@members.cjhunter.com](mailto:john.doe@members.cjhunter.com)).

## Discussion Forums:

Subscribers can leave messages and questions for other subscribers on this board. Discussed subjects have included: Insurance for contractors ... overtime on full rate ... job locations ... pre-employment drug testing ... and lots of contractors looking for old friends.

**Aerospace News** — Lockheed begins work on newest Mars lander - Construction is underway on the core of NASA's newest Mars lander, InSight, which is to begin exploration of the Red Planet in 2016. Lockheed Martin is building the lander, whose design is based on the Phoenix Mars Lander. InSight will explore the interior of the Martian surface ... **Pratt & Whitney signs deal for Turkey engine complex** - Engine builder Pratt & Whitney has signed a deal to create an engine center in Turkey, a project for the assembly of F135 engines destined for the F-35 fighter. The U.S. government still needs to sign off on the center, which also would provide maintenance for the 100 F-35 jets Turkey eventually plans to buy ... **Textron anti-armor weapons headed to South Korea by 2016** - The Pentagon announced that South Korea has ordered anti-armor weapons produced by Textron Systems Corp., and the first of the weapons will be delivered by 2016. The \$190 million contract will help South Korea "defeat a wide range of enemy defenses including fortifications, armored vehicles, and maritime threats," the Pentagon said ... **Cincinnati goes to head of line for aerospace grants** - The greater Cincinnati region has been chosen by federal officials to be part of the Investing in Manufacturing Communities Partnership program, a designation it won for its long history in the aerospace industry. The selection means businesses in the region will get priority consideration for federal grants related to aerospace - money that funds everything from R&D to staff training ... **Embraer, Boeing Collaborate on Sustainable Jet Biofuels** - Embraer and Boeing signed a memorandum of understanding (MoU) to create a joint biofuels research center at a technological park near Embraer's headquarters in São José dos Campos, Brazil. Under the partnership, the companies will be "developing and maturing the knowledge and technologies that make it possible to establish a sustainable biofuels chain for aviation." The MoU builds on a partnership formed in 2011 between Embraer, Boeing and research foundation Fundação de Amparo à Pesquisa of the State of São Paulo that released an action plan last year that indicates the main paths to be taken for developing a sustainable biofuel industry for the aviation sector in Brazil ... **Lockheed buys Astrotech's launch-prep unit** - Lockheed Martin is buying a unit of Astrotech that works on final-stage launch preparation in a \$61 million deal. The Space Operations group "complements our existing capabilities in satellite design, production and integration," said Marillyn Hewson, Lockheed Martin's chairman, president and CEO. (Aerospace News reprinted from AIA Daily Lead, Aerospace Industries Association)
