Hello to the staff at cjhunter. This is a courtesy email to let you know that I will not be renewing my subscription. I've been retired for several years but kept my subscription going in case something juicy materialized to tempt me out of retirement. The many years of service you provided me are greatly appreciated. Keep up the invaluable work for the current generation of contractors. — **Stewart Robinson, No fixed abode**

Jerry, thanks for your service, from the old weekly magazine days to the present. After my layoff I had a think about things and am now retired. Wednesday is my 75th and I worked for Boeing for over 27 years. Right now I am enjoying my grandkids and my new metal lathe - you can take the machinist off the factory floor, but you can never take the fun of making things out of him. Best of fortune! — **Roy White, Des Moines, Washington**
