## **INDUSTRY NEWS** - *News of potential interest to anyone working in the contract industry*

**Pratt & Whitney to Open New CMC R&D Facility** — Pratt & Whitney has revealed plans to open a new ceramic matrix composites (CMCs) R&D facility in Carlsbad, California. CMCs are lighter and resistant to higher temperatures when compared with other traditional materials used in a jet engine's hot section. This capability helps improve thermal efficiency for gas turbine engines. Addition of the new 60,000 square-foot R&D facility will see several job opportunities in the region. Pratt & Whitney will use the facility for design, development, and production of CMCs for aerospace applications. The use of CMCs will allow Pratt & Whitney's next-generation commercial and military engines to offer increased range and fuel efficiency and reduced emissions.

**Boeing CST-100 Starliner Takes Next Step for Orbital Flight Test** — Boeing announced that its Crew Space Transportation (CST)-00 Starliner was placed atop the United Launch Alliance (ULA) Atlas V rocket for its first flight. The pre-launch processing was performed after the spacecraft was transported from NASA's Kennedy Space Center to a facility at Cape Canaveral Air Force Station. The spacecraft is being prepared for its uncrewed orbital flight test to the International Space Station on December 17. It will lift-off from Space Launch Complex-41 at Cape Canaveral Air Force Station. The first Starliner flight to the ISS will be equipped with cargo for its few-day docked stay.

## Hot Sheet of Available Contractors

### **Subscribers:**

When you're unemployed or if you've received your layoff notice: let the recruiters know you're available with a free Hot Sheet listing. The Hot Sheet includes your job classification, name, contact information, and resume ID. The most effective use of the Hot Sheet is to make sure you have your updated resume as your listing includes a link to your resume. The Hot Sheet consists of two sections: Unemployed Listings and Mini-Ads. You have one free listing per calendar month, if you'd like additional listings during the same calendar month, you can place a Mini-Ad. The cost is \$5 per insertion. Mini-Ads are also for those who are currently employed, but would like to have a listing on the Hot Sheet. Deadline for inclusion on Friday's Hot Sheet is Thursday, 4:00 p.m. (Pacific Coast time).

Want more info on the Hot Sheet – call or email our office, better yet – login and click on the link "Sign up for this week's Hot Sheet!" for more info.

### **Recruiters:**

Are you looking to fill an urgent requirement?? Why not try the Hot Sheet – it's a recruiting tool available to current advertisers. Recruiters can search the last 10 weeks of Hot Sheets to find contractors who are currently available. In addition to the Hot Sheet listing we provide you with a link to the subscriber's resume, along with their contact information. Login to search or view the latest Hot Sheet!!
