ELECTRONIC SUBSCRIBER SERVICES

Searchable Jobs Database: Every current job published in *C.E. Weekly* is included in a searchable database online at ContractJobHunter.com. Searches of our jobs database can be made by keyword, job location or posting date.

EZjobs Service: Subscribers with an email address can have our computer search each day's new job postings for matches to their pre-set keywords. At the end of the day, those listings are emailed to subscribers complete with the name of the recruiting firm, contact information, and all of the data in our files about each job.

Free Email Box: We provide free email boxes to *CJHunter* and *C.E. Weekly* subscribers. The restrictions to this service are:

- Any single document (sent or received) cannot exceed 500K
- Total space allotted to any member is 5 megabytes
- Select your own personal email address. If the address you choose is unavailable, you will be assigned another and notified. We suggest using your name, for example: *Joe.Doe@members.cjhunter.com*
- If your subscription lapses, email messages will not be retained. You will no longer have an email box to read or send messages.

For a free personal email box, apply online at <http://email.cjhunter.com>.

E-Resume: This service saves time whenever a subscriber does a job search of our database. A subscriber simply checks a box for every firm they wish to email their resume, then clicks a single submit button. The subscriber's online resume is emailed automatically to all selected firms, with an attached memo stating the specific job posting to which the subscriber is responding. Subscribers can also review and edit their online resume before submitting it.

Resume Email History Tracking: Subscribers can track their resume forwarding history to see when, and to whom, their online resume has been emailed from our website in the past 30 days, through: • *Online Job Searches* • *Daily Resume Distribution*

Subscribers' Message Board: Subscribers can leave messages and questions for other subscribers on this board. Discussed subjects have included: Insurance... pre-employment drug tests...and lots of contractors looking for old friends.

Daily Resume Distribution: When a new resume is added to our online database, the subscriber can choose to have us email it to current *ContractJobHunter* and *C.E. Weekly* advertisers. Recruiters can choose to receive all new resumes, submit keywords to receive only selected resumes, or receive no resumes. Each time a resume is updated, the subscriber can once again choose to have us email the updated resume. *The default is set to not distribute the resume, only subscribers who check the box for distribution will have their resume emailed.* Resumes are emailed at the end of each day.

Resume View Alert: Every time a subscriber's online resume is viewed, downloaded or printed by a contract staffing firm... we immediately notify a subscriber by email. Included is the name of the firm, the recruiter's name (if known), and contact information. Keep in mind that only subscribers with a current email address on file can participate in this service.

Online Resumes: *C.E. Publications* maintains an online resume database for our subscribers that is available to all regular *ContractJobHunter* and *C.E. Weekly* advertisers. Recruiters can search resumes by keyword(s) and instantly view, print or download them. Subscribers can view, edit and upload their own resumes online. Text and formatted resumes are stored, as well as an Online Profile. Keep your online resume current. Only *ContractJobHunter* and *C.E. Weekly* subscribers resumes are in this database.

To enter a resume:

- Upload resume at our website (no charge)
- Send resume on DOS formatted disk, ASCII text file or Word/WP format (N/C)
- Email to: staff@cjhunter.com (no charge)
- Submit scannable resume to us (\$5 per page)
- *C.E.* inputs 1-2 job updates to existing online resume (\$10)

Online Profile: Individuals have certain requirements that do not generally appear on their resumes. Example: availability ... minimum acceptable rate ... location preference .. direct or only contract jobs considered ... do you work on W2 or 1099, etc. A personal profile allows you to make all of this information, and more, available to recruiters. Keep your profile current...especially the status of your availability! This service is only as effective as the effort devoted to it by our subscribers. As long as the majority of our subscribers maintain their Online Profile, and keep the information current, this should be a very beneficial service to both our subscribers and our advertisers.

ARE YOU AVAILABLE? ... USE THE FREE HOT SHEET

The Hot Sheet is a free service for all unemployed *Contract Employment Weekly* subscribers whereby we email your name, address, phone number, email address, resume ID number and job classification(s) to hundreds of advertising contract firm offices. The Hot Sheet is made up of two sections: Unemployed Listings and Mini-Ads, as further explained below. All Hot Sheet and Mini-Ad listings are arranged in alphabetical order by the job classification given, and can be submitted using the form below, our form online (www.cjhunter.com), or by calling our office at (425) 806-5200.

Hot Sheets are also made available to *C.E. Weekly* and *ContractJobHunter.com* advertisers on our website. This service enables contract firms to access our Hot Sheet 24 hours a day, 7 days a week. They can search the Hot Sheet in a variety of ways or download it from our computer and search it at their convenience on their own computer. We encourage all subscribers using the Hot Sheet to have their resume included in our Online Resume Database for instant access by recruiters using Hot Sheets (see form below). Deadline for inclusion in Friday's Hot Sheet is Thursday, 4:00 p.m. (Pacific Coast time).

Free Hot Sheet Listings — If you are unemployed, or have been given a layoff notice, and are a current *C.E. Weekly* or *ContractJobHunter.com* subscriber, you can submit a free listing once per calendar month. For additional listings during the same calendar month, see Mini-Ad Listings.

The format is the same: job classification, name, address, phone number, email address and resume ID number. If you are using MasterCard, Visa or Amex, or if you have funds on account with our office, you may call in your Mini-Ad listing (425/806-5200). *However, we cannot be responsible for errors in ads taken over the phone.*
